How to complete Look, Cover, Write, Check

You will learn one numbered knowledge set for each subject every week. Complete both LCWC tables in this booklet and bring it to tutor time on every check day.

1 **LOOK**
Read one question and its exact answer on the knowledge page. Say the answer aloud and notice the spelling.

2 **COVER**
Cover the knowledge page so you cannot see the answer.

3 **WRITE**
In the correct LCWC table, copy the question and write the whole answer from memory.

4 **CHECK**
Uncover the knowledge page. Compare carefully. Correct every error in a different colour.

5 **REPEAT**
Complete the second LCWC table on its later check day. Do not copy from LCWC 1.

NON-NEGOTIABLES

- Write all 10 questions and all 10 answers.
- Use the exact wording shown on the knowledge page.
- Complete the work before the tutor-check date in the schedule.
- Bring this booklet every day. Friday is Year 7 assembly, so no homework is checked then.
- Your subject teacher will test the numbered knowledge during the same numbered week.

If your quiz score is below 7/10, you will be expected to re-learn the knowledge.
