YEAR 11 BULLETIN

Au2 Week 5

Dear families,

Year 11 have now received their AP1 scores. In many cases, there is a lot of work to do to make a big jump between now and GCSEs in the summer. Fortunately, that jump is doable.

This week in assemblies we spoke about 3 students who made significant gains between AP1 and their GCSEs. One of those students was Briana, who went from a 4 to a 6 in English Literature, a 5 to an 8 in Maths, and a 45 to an 78 in Science.

Our message to Y11 is simple. It is doable, but it requires an active effort to change behaviour. At Trinity we are talking relentlessly about 5 degrees of course change.

5 degrees of change could be as simple as:

1. I will come into school every day until February half-term
2. I will complete all my weekly homework on time
3. I am going to take Sparx seriously and nail it every week
4. I'm going to ***properly*** revise my Top Ten Tests
5. I'm going to make use of revision spaces at school
    - Canteen open from 7:30 next week
    - Library open after school
6. I'm going to work ***beyond*** the work that is set by school
7. I'm going to avoid detentions so that I am able to go to every intervention

Ultimately, now is the time for Y11s – and our Y11 parents – to show they are serious about getting great results this summer.

Y11 shoutouts

- Well done to **Bilal**, **Tasnim**, and **Valentina** for regularly making it in for 7:30 breakfast club to revise.
- A huge well done to **Aisha H, Deborah**, and **Aicha K** for topping the y11 leaderboard from AP1.
- Well done to **Scarlet, Ezra, Sharntey, Akeelah,** and **Eva**, all of whom received shoutouts from their teachers this week for their excellence work in lessons.
- A special shoutout this week goes to **Chloe** for battling through illness to make it in as often as she could!

YEAR 11 BULLETIN

Our AP1 leaderboard

We are really pleased to release our Top 10 from AP1. A little information on how this works.

1. All students are ranked from 1-120 based on the subjects they sat (i.e. the student who scored highest in Maths AP1 is ranked as number 1).
2. An average rank is generated and students are ranked by this average.

Our top 10 is below.

Student Name	Biology Y	Chemistr	Eng Lang	Eng Lit Ye	Geograp	History Y	Latin Yea	Maths Ye	Physics Y	Science Y	Spanish	Sum	Average r	Overall rank
H Aisha	3	8	4	2				6	4			27	4.5	1
Deborah	6	5	15	10		6	2	1	2			47	5.875	2
K Aicha	1	3	8	22		2	6	7	1			50	6.25	3
Nifemi	2	4	3	1	16			8	9		22	65	8.125	4
Uel	4	9	5	9		3	20	4	11			65	8.125	5
Ismiel	14	11		5	3		3	16	5			57	8.14285714	6
Mariana	5	10	10	8	4			16	12		3	68	8.5	7
Nathaniel			12	33	1			3		1	2	52	8.66666667	8
Josue	7	6	29	11		1		5	3		15	77	9.625	9
Alia	11	16	9	3	9		4	14	13			79	9.875	10

Attendance

As we push into the winter months and move beyond AP1, Y11 attendance has dropped. At this point, we would really welcome some support from our Y11 parents and families on this matter. The following things are all true:

1. Some Y11s are tired and will likely ask you for a day off here and there
2. Your voice matters and your children listen to you
3. Every minute that a child is not in front of their teacher is putting them at a disadvantage
4. We need your support in recognising the seriousness of missed days in Y11

We can thank you in advance for your help on this.

If your child is not in school, then they aren't learning
