YEAR 11 BULLETIN

Au2 Week 3

Dear families,

Welcome to our third Y11 bulletin of the year. With AP1 now out the way, the focus shifts towards getting ***back into our important routines.***

As of this week, Y11 have once again received their **weekly work** package of homework that we expect to be completed. We communicate this with parents via the school website - https://www.trinity.futureacademies.org/Year-11-Weekly-Work/.

Y11 have also now been given their **Top Ten Test** booklets for the half-term. It is essential that they take this process seriously and complete a proper Look, Cover, Write, Check on these. As a parent you can support by reading a little more here https://www.trinity.futureacademies.org/Curriculum/Independent-Learning/.

Study spaces

We know that not all Y11s necessarily have a quiet space to revise and work at home, so we have decided to open up 2 dedicated spaces for them.

1. **Breakfast club:** From 7:30 each morning a hot breakfast will be served in the canteen and Y11s are free to come in and use the space to work.

2. **Library:** if Y11 want to stay and work late in the library then they may collect a pass from Mr Ekhator.

Y11 shoutouts

- We already know that some students have scored highly in their AP1 assessments. Well done to **Deborah** (7 in Maths), **Uel** (7 in History), **Nathaniel** (8 in Geography) and **Mia** (7 in Sociology).
- The Y11 Art mock was this week and a special shoutout goes to **Adebola** for not only producing excellent work, but constantly going above and beyond.
- Well done to **Rudayna**, **Jayden**, and **Ibti** for regularly making it in for 7:30 breakfast club to revise.
- Both **Martin** and **Stephanie** received extra special shoutouts from their teachers this week for their exceptionally hard work in lessons.

YEAR 11 BULLETIN

A message from Mr Ekhator

Dear Parents and Carers,

As we move further into this crucial year, I would like to reinforce the importance of strong attendance, positive conduct, and overall wellbeing. Every day in school makes a significant difference to learning, confidence, and exam preparation, so we ask for your continued support in ensuring students attend school every day and arrive on time. We are also committed to supporting students' wellbeing. Please encourage healthy routines such as good sleep, balanced screen time, and open communication about any concerns. If your child requires support, please contact the Year Team so we can help early. Finally, students are expected to maintain high standards of conduct and uniform, showing respect in lessons and around the school. A calm and focused environment helps everyone achieve their best.

Thank you for your continued partnership.

Interventions

We have once again started period 7 interventions for Y11s to support them. At present, these are for selected students who have been invited to attend. If students have been asked to attend then please be aware that it is a compulsory requirement.

Monday	Tuesday	Wednesday	Thursday	Friday
Latin	Maths	Foundation Maths	English	Science

"**Small changes** add up over time. Just a **5 degree course change** can make a big difference to the destination"
